- Notes:**
- Students aged 8 and younger are placed into levels based on age and prior experience. Students who are age 8 by September 30th are generally placed into Beginning Ballet II where they continue to build the foundational skills necessary to proceed with the formal ballet curriculum that VBC introduces at the Beginning Ballet III level. VBC offers a [free trial](#) class to all new students. Please email or call to schedule a trial class.
 - Beginning Ballet II dancers are eligible to participate in VBC's annual production of Nutcracker in December, and the end-of-year performance, Promenade, in June. Separate performance fees are required to participate in productions with additional days/times for rehearsals.
 - Beginning Ballet II dancers who wish to perform in Nutcracker must take two classes per week to continue to improve in knowledge, technique, and musicality.
 - Students will be evaluated after Fall Semester and Spring Semester to determine readiness to progress to the next level. Promotion is not guaranteed. To progress, dancers must demonstrate the knowledge, strength, focus, and skill required to be successful at a higher level and to protect themselves from potential injury.
