**Notes:**

- All students aged 9+ who are new to Virginia Ballet Company and School must take a free trial placement assessment. After the assessment, students will be placed into a level based on knowledge and ability. Students aged 8 and younger are placed into levels based on age. Please email or call to schedule a placement assessment.
- Intermediate II level dancers are eligible to participate in the fall contemporary performance, VBC's annual production of Nutcracker, and the spring performance. They may join the Touring Ensemble in order to be considered to perform at community engagement events. Separate performance fees are required to participate in these productions and Touring Ensemble with additional days/times for rehearsals.
- It is recommended that dancers invest in six classes a week: three ballet classes, two beginning pointe classes, and one modern class. Only dancers who are on pointe before Nutcracker will be considered for pointe roles, including Big Snow. These are the minimum requirements to improve in knowledge and body strength and **to be considered for solos in VBC's classical ballet productions**.
- Students who wish to perform in VBC productions **must** be enrolled in four classes per week, including **at least** two ballet classes, one pointe class, and one modern class. These are the minimum requirements to continue to improve in knowledge, technique, and musicality. Intermediate II students not enrolled in six classes per week will not be considered for solos in classical ballet performances.
- Students will be evaluated after Fall Semester and undergo an end-of-the-year examination during the Spring Semester to determine readiness to progress to the next level. Promotion is not guaranteed. To progress, dancers must demonstrate the knowledge, strength, focus, and skill required to be successful at a higher level and to protect themselves from potential injury.
- Any student that wishes to perform Trepak in VBC's annual Nutcracker performance **MUST** enroll in Character class. However, please note that enrollment in character class does not guarantee that a dancer will be cast in Trepak.
- Maximum Tuition and Unlimited Classes: The maximum number of hours that Intermediate II level students may enroll for Fall 2024 is 15.75 hours. Tuition is capped at the rate of \$2,810/semester for students enrolled in at least 14 hours of classes/week. Students may take the additional 1.75 hours of classes/week at no extra charge.
