**Notes:**

- All students aged 9+ who are new to Virginia Ballet Company and School must take a free trial placement assessment. After the assessment, students will be placed into a level based on knowledge and ability. Students aged 8 and younger are placed into levels based on age. Please email or call to schedule a placement assessment.
- It is recommended that dancers in Beginning Ballet III invest in four classes/week: **at least** two ballet classes and one modern class, unless informed otherwise by the Artistic Staff, to continue to improve in knowledge, technique, and musicality.
- Beginning Ballet III dancers are eligible to participate in VBC's annual production of Nutcracker in December and the end-of-year performance, Promenade, in June. Separate performance fees are required to participate in productions with additional days/times for rehearsals.
- Students who wish to perform in VBC productions **must** be enrolled in four classes per week which include two ballet classes and one modern class. These are the minimum requirements to continue to improve in knowledge, technique, and musicality.
- Students will be evaluated after Fall Semester and undergo an end-of-the-year examination during the Spring Semester to determine readiness to progress to the next level. Promotion is not guaranteed. To progress, dancers must demonstrate the knowledge, strength, focus, and skill required to be successful at a higher level and to protect themselves from potential injury.
