Notes:

- All students aged 9+ who are new to Virginia Ballet Company and School must take a free trial placement assessment. After the assessment, students will be placed into a level based on knowledge and ability. Students aged 8 and younger are placed into levels based on age. Please email or call to schedule a placement assessment.
- Intermediate IV level dancers are eligible to participate in the fall contemporary performance, VBC's annual production of Nutcracker, and the spring performance. They may join the Touring Ensemble in order to be considered to perform at community engagement events. Separate performance fees are required to participate in productions with additional days/times for rehearsals.
- It is recommended that dancers invest in eight classes/week: three ballet classes, two pointe classes, one modern class, and two variations classes, unless informed otherwise by the Artistic Staff. If the dancer is invited to join the pas de deux class, the recommended weekly class load is nine classes per week. These are the minimum requirements to improve in knowledge and body strength.
- Students who wish to perform in the Corps for VBC productions must be enrolled in six classes per week, including at least two ballet classes, two pointe classes, one variations, and one modern class.
- To be considered for solos for Nutcracker dancers must invest in seven classes/week: three ballet classes, two pointe classes, one variations, and one contemporary/modern class unless informed otherwise by the Artistic Staff.
- For students to be on pointe they must be registered and attend a minimum of two ballet classes and two pointe classes per week.
- Students will be evaluated after Fall Semester and undergo an end-of-the-year examination during the Spring Semester to determine readiness to progress to the next level. Promotion is not guaranteed. To progress, dancers must demonstrate the knowledge, strength, focus, and skill required to be successful at a higher level and to protect themselves from potential injury.
